

Overdrive Softball

The Osceola Overdrive Fastpitch Softball Organization would like to invite your business to become a Team Sponsor for our upcoming season. Based in Kissimmee, FL, Osceola Overdrive is a volunteer-run, nonprofit 501(c)(3) organization dedicated to giving girls the opportunity to compete in fastpitch softball at the highest levels. Since 2005, we have proudly helped athletes earn college scholarships while competing against some of the best teams in Florida and across the Southeast.

Our motto is "Building Character Through Athletics." We live this mission by providing young women in our community a positive, structured outlet that emphasizes discipline, teamwork, commitment, sportsmanship, and strong values — while also developing their technical skills. Overdrive not only prepares athletes for success in local high school and collegiate programs, but also helps them grow as leaders both on and off the field.

By becoming a sponsor, your business will join a community of supporters who truly care about empowering the next generation. As a valued partner, we will recognize your company on our Facebook page, provide advertising space on our website, and include a direct link to your business page. All contributions are tax-deductible to the extent allowed by law (Tax ID #20-3847088).

We would be honored to have your support this season and thank you for considering an investment in our athletes and our community.
